MOTION FOR ENLARGEMENT OF TIME UNDER FRCP 6(B) TO RESPOND TO DISCOVERY

In the matter of the above-identified Cancellation No. 041,584, an initial Trademark Trial and Appeal Board Action was mailed February 11, 2003 setting Answer, Discovery, and Testimony dates.

On March 21, 2003, Xyvision Enterprise Solutions, Inc. ("Registrant") served counsel for Fujitsu Limited ("Petitioner") with Registrant's First Request for Production of Documents and Registrant's First Set of Interrogatories.

Petitioner, through undersigned counsel, hereby requests that the time for responding to Registrant's first discovery requests be extended thirty-days until and through May 20, 2003. This extension of time is requested because the parties are engaged in negotiations involving possible settlement of the dispute. Counsel for Petitioner in good faith requested consent from counsel for Registrant to this thirty-day extension, however, counsel for Registrant refused to provide such consent. Petitioner desires to amicably settle this dispute and asserts that the extension of time requested herein will facilitate such amicable disposition of the dispute.

The undersigned asserts that the foregoing represents good cause within the meaning of FRCP 6(b) and TBMP § 509.01.

If for any reason the Trademark Trial and Appeal Board will not expeditiously grant this Motion for Enlargement of Time, it is respectfully requested that the undersigned counsel for Petitioner be contacted via telephone in accordance with the Board's project for telephone disposition of interlocutory matters. If there are any fees associated with this Motion, please charge the same to our Deposit Account No. 19-3935.

Respectfully submitted,
